FYI again neither isu nor SBT have any substantial hard copies or soft copies of emf.

If this is not clear please email me know.

Please advise whether you are receiving any communications from central office on this matter.

Thanks. Bill.

In any case I left another vm for Paul that we are having the 2012 FMC OU ROD Amendment Admin Record copied onto discs we could have ready for someone to pick up as soon as tomorrow, we're assuming that's what you want & not the EMF Admin Record that was compiled for the 1998 ROD. Paul's e-mail wasn't clear about this. I'll e-mail & call his office again here when we have it or know when it will be available.

I am absolutely not understanding what you said In your voicemail to Paul. Are there other influences at play I am not made aware of. Please advise and respond in email or writing so there is no more confusion. Thanks. Bill
